### Summer Make-up Policy – Been sick? On Vacation? Need to make up a class?

We understand that while things occur that can take you out of the gym, consistency in your child's training and classes is important. Further, that during summer months, many other family activities are scheduled. That is why we allow for **UNLIMITED** makeups during Summer Session provided there is room in a class and that makeups are scheduled during the summer session your student(s) is enrolled in. (Ex: if you are enrolled for Summer Session 1, makeups must be completed by July 25<sup>th</sup>). If you are enrolled in both sessions, your makeups can be scheduled into the second summer session.

If you cannot find a class that works for your schedule, our office staff will provide you with a complimentary pass to Open Gym to be used at your convenience. If you find that the current class day/time no longer works with your schedule please stop by the office and staff will assist you in finding a new class, based on availability. **ALL MAKEUPS REQUIRE PRIOR REGISTRATION with the office!!! Makeups can be scheduled ONLY after your child has missed her/his class.**

### Refund/Credit Policy -

A **full refund** will be granted if you withdraw **prior to the first day of the session or within 24 hours of a new registration**. A **credit for classes that are unattended** will be issued only when an injury or illness, along with a doctor's note, prohibiting the student from attending the remainder of the session's classes.

If your child is struggling in a class for any reason please contact your child's coach and/or our office staff as soon as possible so we can work together to find a solution.
